

MARSHALL ASSIST

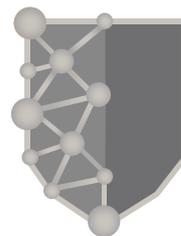

Maximising Fleet Uptime

GOLD

PLATINUM

PLATINUM⁺

If you are looking for support for your tail lift, lifting deck or shutter door equipment, MFS offers three levels of comprehensive support.

Simple fixed cost service and maintenance plans to suit your needs, covering:

- 24/7/365 response through our dedicated National & Regional Service Network
- National Account status and out of contract discounts
- On-site major repairs and fleet checks
- Management to ensure your tail lifts and lifting decks stay legal and compliant at all times
- Diagnostics
- Tail Lift and Lifting Deck Servicing
- LOLER Examinations
- Weight/load Testing on site
- Shutter Door Servicing and Repairs
- Insurance Assessments
- Tail Lift Supply and Installation

Full details about choosing the optimum Marshall ASSIST plan for your fleet can be viewed on marshallfleetsolutions.co.uk, by calling us on **0800 731 1685** or by email on assist@marshallfleet.co.uk

MARSHALL ASSIST

Maximising Fleet Uptime

At MFS, our contract maintenance programmes are tailored to your needs, allowing you to decide the level of support that is right for your fleet.

And if you're not ready to commit to a contract initially, then MFS also provides the PAYG option, which allows you to manage your fleet maintenance requirements on a simple and easy 'pay as you go' basis.

Unlike any other service provider, MFS operates wholly-owned regional and local branches so that we can support you wherever you are, at any time. One call is all it takes to get through to our 24/7/365 customer support team who will manage your maintenance and repair requirements from start to finish.
